

FIRE LUBRICANTS

Fire Power 20w/50

This multigrade oil is extraordinary premium multigrade oil for both gasoline & diesel engines. It is made from highly refined Base oils with selective additives. It provides excellent sludge control, extra wear protection at high temperature, lower oil consumption and increased fuel efficiency, quicker engine start and provide longer engine life and increase fuel efficiency.

Product Features & Benefits:-

- Superior performance in terms of oxidation stability.
- Excellent sludge control and extra wear protection at high temperatures.
- Quicker engine start & longer battery life.
- Catalytic Converter Compatible.
- Longer oil drain period and increase fuel economy.
- Suitable for all seasons.

Application:

It is a premium quality engine oils recommended for the new generation petrol vehicles, like, MARUTI, HONDA, HYUNDAI, TATA, TOYOTA, CHEVROLET, FIAT, etc.

Performance Level:

IS: 13656 – 2002 (EPL – 3 / EDL -2) /API –SL/SM.

Packing Sizes:

210, 5, 3, 1.

Specification:

CHARACTERISTICS

Sr.No.	Properties	Fire Power
		SAE 20w/50 GRADE
1	Kin. Viscosity cSt @ 100°C	18.60 – 19.50
2	V. I. (min).	126
3	Flash point (COC) 0°C, Min.	240
4	Pour Point (COC) 0°C, Max.	(-) 21
